

CONCEPT

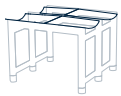

AXION|CUBE is a solution for all those, fed up with traditional inflatable or pop up tents. Thanks to a unique solution of hidden water drain, a roof can stay optically flat, but perfectly works outdoor in any rain conditions. As with all AXION products, there is no necessity of permanent power supply!

	Cube3	Cube4	Cube5
width "X" (cm)	300	400	500
length "Y" (cm)	300	400	500
