

Technical data sheet

Reference: **Formatex**

Description: PVC / PU coated polyester knitted fabric, fire retardant, water resistant, UV stabilized

Characteristic:

Specification	Value	Unit	Test method
Total weight	550 ±5%	g/m ²	EN ISO 2286-2
Coating adhesion	min. 50	N/5cm	EN ISO 2411
Breaking strenght (Warp/Weft)	1000 / 600	N/5cm	EN ISO 1421
Tear strenght (Warp/Weft)	30 / 40	N	EN ISO 4674-1B
Temperature resistance	-25 / +70	°C	DIN 53361
Flame retardancy	B1		DIN 4102-1

Standard colors

The product **Formatex** is defined as type of fabric for manufacturing of tents and shelters.
